

Meet...

Mr. Moy

About Me

Being a dad is a big and fun part of my life. I also enjoy travelling and going for walks with a coffee in hand!

I believe in:

- Choosing experiences over things
- Being kind to everyone because we don't know what others might be dealing with
- Practising self-care so that we can all be healthy and able to support each other

Education

BSc in Zoology
BEd in Secondary Education
Diploma in Guidance Studies
